### **Stanton Public Library Event – May 21st**

The Friends of the Library will be hosting a kids' day event on Saturday, May 21st. Lots of fun activities planned for the day! If high school students want to help out during this event, please sign up in Mrs. Allen's office. The library will need help with activities, managing kids, etc. This is a great opportunity for community services hours.

If there are student organizations that would like to run an activity or "booth", please let Mrs. Remm know and she will let the library committee know. Thanks!
